

City of Reno Historical Resources Commission

Historic Preservation Awards Nomination Form

The City of Reno formally celebrates its history each year during the month of May. One element of the annual celebration is recognition of historically significant structures and historical sites. A second element recognizes the efforts of individuals for distinguished service and advocacy in historically related projects.

The public is invited to submit recommendations for consideration. Final selections will be made by the Historical Resources Commission. The format for nominations should be prepared as follows:

Historic Buildings / Historical Sites / Projects

(Please attach a photo and supporting documents, research, etc. Digital photos may be emailed to Jeff Borchardt, Assistant Planner.
